Thank you for your assistance in the lead up and on the day to ensure our special day was perfect!

Our guests and us loved the resort, many of them already planning on revisiting.

Everyone raved about the food, spoke highly of the friendly staff and also the down to earth and easy nature of our vendors to work with.

Let us do it all

Let the Tindarra team assist with planning events surrounding your wedding day for all guests attending your wedding weekend

Welcome your guests as they start to trickle in one by one and check into their onsite accommodation for your wedding weekend. A self-catered BBQ by the pool is a great way to stay local and have a casual night in, greeting all your guests on the night before your big day

Or depart Tindarra Resort for a cruise on a paddle steamer to the port of Echuca the night before your wedding, with dinner at a top local restaurant to catch up with your family and friends before the big day. The paddle steamer will then return all guests to Tindarra Resort later in the evening.

Tindarra Resort is most famous for our post-wedding recovery days. Depart from Tindarra Resort the day after your wedding and continue celebrations with family and friends with a lunchtime BBQ cruising the Murray River on board a local paddle steamer.

To keep the good times flowing we can even arrange live entertainment on board.

On the Day

Wake up in our beautiful bridal party villas, separated on either side of the resort, and get excited as you watch arrangements come together for your Wedding Day

9am – Getting ready

Tindarra can arrange platters (at extra costs) sent to the bridal villas the morning of the wedding as an additional extra to ensure your VIPs are fed

3pm–4pm – Ceremony

Your romantic wedding on the banks of the beautiful Murray River

4pm–5.30pm – Pre dinner

The celebrations can then begin after the ceremony with beverages and pre-dinner catering options served in the relaxed atmosphere of the Riverside Bar, outside the marquee.

To ensure the bridal party don't miss out on the beautiful catering, our staff will arrange for platters and beverages to be waiting in a Villa for your bridal party to enjoy once you've returned from photos and before reception while you freshen up

5.30pm–11pm – Reception

Join your guests with a formal introduction into the reception. A 35-metre fairy light curtain drapes the silk-lined roof and walls of Tindarra's wedding marquee, creating a gorgeous space for your wedding celebrations

Ceremony

Our riverside area nestled among river red gums is the perfect spot for your wedding ceremony.

Our Wedding Coordinator will drive the Groom's Party over to the ceremony in the Tindarra Resort Golf Cart.

Your guests can enjoy the tranquil bush setting with paddle steamers passing by as you get ready to make your way down the aisle.

Once your guests are seated, our Wedding Coordinator will bring the Bridal Party to a private area behind the Marquee for your final moment together before the ceremony commences.

The music starts and the party enters one by one down the aisle, keeping a little suspense before we send our Bride to meet her Groom under the arbour.

Once the ceremony concludes our Riverside Bar will open to entertain your guests while the bridal party head off for photos.

Plan B

Tindarra Resort has a beautiful back-up options in the event that the ceremony has to be moved indoors due to weather conditions.

Reception

After wedding photos, the bridal party will head to a private villa to enjoy some pre-dinner catering and beverages while they freshen up. During this time your guests are moved into the reception.

Our Wedding Coordinator will help the Bridal Party gather at the back of the Marquee for formal introduction into the reception.

The reception is designed around your wishes for your wedding day: as casual or as formal as you like. Each Tindarra wedding is unique to our couple's dreams of how they wish their wedding to be.
